SCAC families and Canada

*week 1*  
May 22- 28

40 days of  
*Prayer*

## Senior Pastor's word of encouragement

I believe in prayer. During the epidemic, the Holy Spirit often reminds us to abide in the Lord and pray fervently for the church and those in need. The Lord has done great things for us. One by one, prayers were answered. Over the years I have had a dream that SCAC will be a church filled with prayers. Pray for each other and experience the renewal of the Holy Spirit. The 40 Days of Prayer Movement is towards this goal to pray together to experience God's faithfulness, love and wonder. I invite you to become an official prayer warrior in the next 40 days, pray for the church we love, block the leakage. Not only the Holy Spirit will accomplish what we ask for, but also build up the prayer warriors' heart to love the Lord and love for others. Let us set sail for the next 40 days in prayer in unity.

*Devote yourselves to prayer, being watchful and thankful. And pray for us, too, that God may open a door for our message,...*

*Colossians 4:2-3*

*The Lord's servant*  
**Rev. Matthew Chiu**

he says: “It is too small a thing for you to be my servant to restore the tribes of Jacob and bring back those of Israel I have kept. I will also make you a light for the Gentiles, that my salvation may reach to the ends of the earth.”

## Pastoral staff

May 22

May the Lord bless the pastoral team who always fear God, be sensitive to the guidance and discipline of the Holy Spirit, and have the heart of humility and unity serving Him. Caring people with love and be loyal servants to the Lord and good shepherds for the sheep. Always abide in the Lord! Have beautiful spirit and strong body and rely on the Lord to resist and win over the evil one. Full of wisdom to understand all things, teach everyone to walk according to the truth, have the ability to lead SCAC move forward, build and restore God's family with all members of the body, follow and practice the Great Commission so that SCAC would become a church abiding God's will and glorify Him to prepare the second coming of the Lord.

## Pastoral staff's families

May 23

May the Lord bless all the pastors and their families with good health in body and mind, and have a constant and beautiful spiritual relationship with the Lord! May the Lord protect the pastors' family with shields so that they will be Holy! May their families fill with God's love! Watch over each other, share worries, difficulties, the joy and fruits of service. Let them live out beautiful testimonies, glorify God and be blessings to others.

## Church revival

May 24

Holy God! Please forgive and cleanse us! Let us stay away from sin and live a victorious life. Pray that the Lord will give us a spirit that is like fire, revive and brighten SCAC! Everyone will serve the Lord with one heart, build each other up and honor the Lord in everything. Pray that the Holy Spirit will pour out all the pastors and pastors with wisdom and insight to lead the church according to God's will! Influence the world, and continue to be the salt and light for the Lord in this generation.

## Brothers and sisters' Spiritual life

May 25

May the Lord keep believers always longing to fear God, humbly accepting and obeying the Lord's will so that their lives will be constantly renewed and revived! Have a spirit of lively prayer, establish a constant and intimate relationship with the Lord and have deeper experience of knowing God. In this crooked generation, live a holy life, do justice, love mercy, walk with God, lead people to know the Lord Jesus and live a life that honors God.

## Transition & Pastoral Search Task Force

May 26

Pray that the Lord bless the Transition and Pastoral Search Task Force a spiritual sign, so that all members can discern the Lord's will, and that they sensitively rely on the Spirit's guidance, and be inspired to choose wisely in accordance with God's will. Pray that the church is united during this process, see God's grace, that everything goes smoothly, so that the Lord's name is glorified!

During the transition period of the senior pastor, the church is united with a focus on prayer, keeping watch over God's family, serving faithfully and lovingly.

In the face of uncertainty or challenges, be able to be strong by relying on God, sail forward steadily as we wait for the next senior pastor chosen by the Lord to bear witness to His good arrangements and preparations.

Also, pray that the Lord will continue to lead Rev Chiu on the way forward, and keep him and his wife healthy in body and mind, as they continue serving God with joy.

## Children Ministry

May 27

**Serena Lau, Raymond Lo, Sampson Kwan**

Praise the Lord! as the pandemic slowly phases out, Children's Ministry is gradually bringing their programs back in-person. May God continue to use our Sunday School's "Online with God" series to shepherd the children. Lord, help our children to learn attentively and that our teachers would teach with joy and passion. May God also give our CM leaders the wisdom and strength to migrate their programs to in-person. May our children grow in worship and come to be fearful of the Lord in their hearts, whether they join us online or in person. May God bless our students and teachers with good health in body and spirit. May God also provide new servants in Children's Ministry to teach the truth to the next generation!

## English Ministry

May 28

**Serena Lau, Derek So**

Give thanks for English Ministry (EM). We ask God to give the pastors wisdom and love, so that the young believers can have a deeper relationship with the Lord, and that their lives will be strengthened and established, so they will grow to become future church leaders and community pillars. Keep Joseph Fellowship, UNIT (the post-secondary student fellowship) and EM Young-Adults to develop ministry models suitable for reaching their respective age groups.

Pray for the Gormley youth, and ask God for wisdom on how to help them transition to adult worship.

**I thanks God for...**

**Please continue to  
humbly serve God  
with His wisdom and  
strength.**
