South Asia Ministry

June 12
Grace Kwong

Praise the Lord that through the South China Ministry, that some of the groups from South Asia have an opportunity to connect with the church and hear the Gospel. May the Lord help those who attend South Asia Ministry gatherings to continue growing in their spiritual walk, and for those who believe in God to actively pursue the truth, and be willing to show their commitment to Christ and become true disciples of God through the waters of baptism. Pray that the Lord can protect every one serving this ministry to have a healthy body and mind, and experience the joy of serving the Lord. Please continue to pray for the post-pandemic reopening.

Sacred Music Ministry / Worship

June 13

Margaret Chan

Praise the Lord! Over the last two years of online worship, the church has begun resuming physical Sunday service. Currently, the choir's Sunday worship offering is through videos recorded by individual members, which are then carefully compiled by the production team for playback on Sunday. May the Lord continue leading us to explore a schedule for the choir to resume group practices in a format satisfactory to the times. Similarly, that small group worship, orchestral groups, handbell team, and children's choir can explore a timeline to resume practices.

We thank the Lord that during the past two pandemic years, we can overcome difficulties and continue to serve. May the Lord help us wait on Him with one heart and renew our strength. May the Lord lead us to continue serving Him so that His name may be glorified.

Evangelism Ministry

June 14

Grace Kwong, Joyce Cheung

Thanks be to God for giving us the Great Commission, and we pray that the Lord help us to have the heart and soul to love others and a passion for evangelism, so that we can become ambassadors for Christ. Pray for the Kairos course and Evangelism Explosion training, and ask the Lord to use and bring more of them to Him. For the discipleship-side, pray to the Lord to raise up individuals to cultivate and train up support staff, to continue strengthening the Sunday School support classes, so that the new believer brothers and sisters can establish a closer relationship with God and experience His grace everyday. Pray for wisdom, as we come up with evangelism strategies as the City reopens.

We thank God for His blessings and provisions, to provide SCAC with adequate resources and suitable equipment, so that the church can continue reaching out to brothers and sisters, as well as newcomers. May God continue to bless the IT and AV team to have a healthy body and mind, to allocate their time wisely, to use each other's gifts in coordination and partnerships. May the Lord continue to open new roads and lead the ministry in facing future challenges and continue expanding the kingdom of God.

But you will receive power when the Holy Spirit has come upon you, and you will be my witnesses in Jerusalem and in all Judea and Samaria, and to the end of the earth.”

World Churches

June 16

Pray that the World would know God and crave for His Word! Let us understand your calling and hope! As the end of the World approaches, may God revive believers to carry out the great commission. May He guide us to bring the news of eternal life and hope to unreached people, so that all churches can bring the good news to the ends of the earth! May God bless churches in the World to use truth to care for and build up believers, so that they will become the salt and light influencing this generation and lead righteous, peaceful, and compassionate lives reflecting Christ's love and glorifying God! May the World turn to Jehovah!
