

40 days of Prayer

Daily prayers for spiritual revival
of self, SCAC families and Canada

May 22- June 30

Daily prayer for myself and SCAC in spreading the Gospel to all nations

Silk Road 絲路地區

June 19

May the Holy Spirit pour out over the vast land; enabling missionaries to face social uprisings bravely, and let the Lord take back the hearts of the people. Pray that the Lord help the persecuted believers to continue following the Lord firmly, to sow the seeds of love and the gospel. Remember the drug rehabilitation centre set up by Daniel and Vera Kuranji Drug Rehabilitation Center, and ask God to give wisdom to Hans Fung and his wife, as well as Tom and Heidi Cheng to lead Tianshan International School. May God have mercy on the Ukrainian refugees scattered all over the world, and that they can receive the Lord's help.

Daily prayer for myself and SCAC in spreading the Gospel to all nations

Asian Spice 亞洲香料

June 20

Pray for missionaries to find an entry point to spread the Gospel, so that those who are lacking in life and spirit can know God. Pray for Buzz and Myrna Maxey to translate the Ngalik Old Testament in Papua New Guinea and help Lisa Brown as she teaches English in Indonesia and to build relationships with her students, and be a witness to the truth. As well, please keep Derek & Bonnie Burnett's ministry in Thailand in your prayers.

Sea to Sea 加拿大本土

June 21

May the Holy Spirit help the church to break its own limitations, to reach out to their local community across different cultural groups, and build relationships with them to promote local mission work and build more new churches. Please keep the Chinese evangelism work in Atlantic Canada in your prayers, and ask the Lord to help Rev Nelson Leung's pastoral and evangelistic ministry in the region.

“...if my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from heaven, and I will forgive their sin and will heal their land.”

2 Chronicles
7:14

Daily prayer for myself and SCAC in spreading the Gospel to all nations

Brothers and sisters who are weak

June 22

Lord of Mercy, please remember brothers and sisters who are weak physically and spiritually! May they experience God's healing and comfort and grant them a good adaptation in the change of life! Let the power of the Lord's resurrection become their strength and hope and God's words become their comfort and light when they are alone so that with the grace of the Lord they can run the way ahead.

Families

June 23

Pray that the Lord reign in our home and strengthen the family system established by Him and to fill our home with love and joy! May the Lord help us to forgive and reconcile to our families so that the evil one cannot destroy our relationships! May the Lord help us to preach the gospel to our non-believing family members, give us the courage and wisdom to lead our family members to know Jesus and experience "believe in the Lord Jesus, you and your family will be saved" the blessing of the Lord's promise.

Daily prayer for myself and SCAC in spreading the Gospel to all nations

Couples

June 24

May couples take God as the head of the family, and know how to appreciate, love, understand and tolerate each other; the wives know how to respect their husbands, and the husbands love their wives as their own bodies; we also remember couples whose marriage are strained and ask the Lord to help them replace provocative words and hatred with love and tolerance and experience the renewal of their hearts in the Lord's grace.

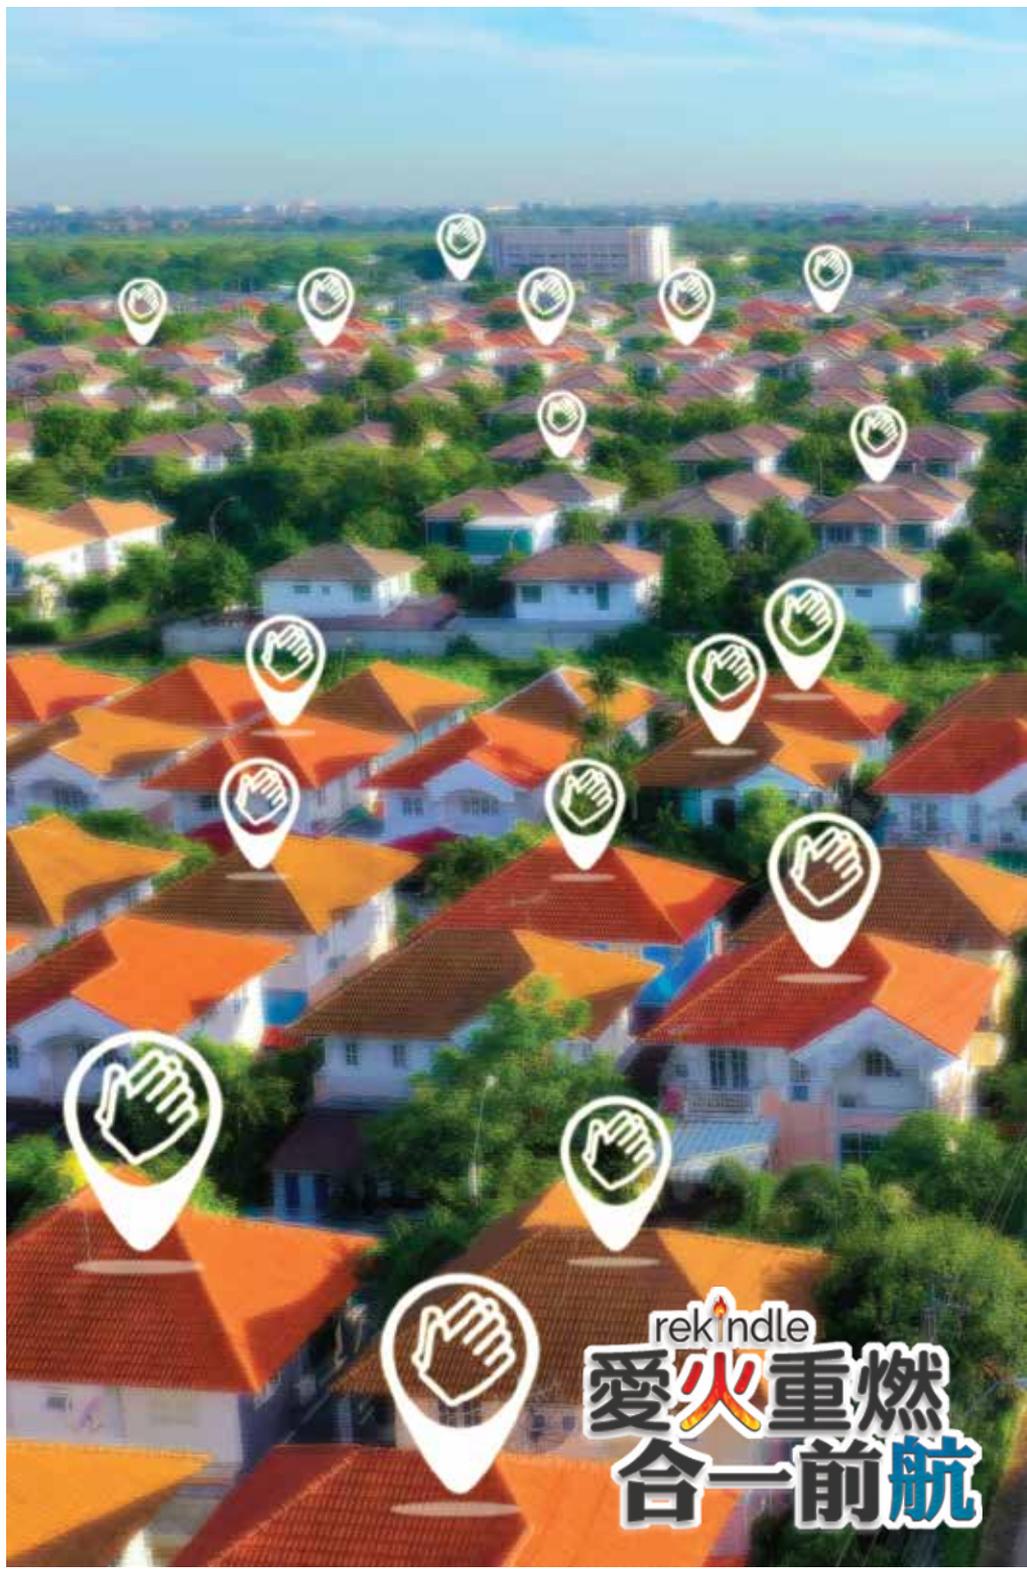

Children

June 25

"Children are heritage from the LORD" (Psalm 127:3). May our children trust the LORD with all their hearts in all things, not their own understanding! Pray that the Lord grant them a heart that fears God and surrounds them with godly people who love God. Please protect our children from disasters, grant them a healthy body and mind and the guidance of the Holy Spirit as they grow!

I thanks God for...

**Please continue to
humbly serve God
with His wisdom and
strength.**
